

Dear Cross Country Coach,

June 2017

This year will be the 43<sup>rd</sup> running of the **Wyoming Valley Striders Cliff Robbins Sr. Memorial High School Cross Country Races** at Letterkenny Fields, Dallas, PA, home course of the Misericordia University Cougars. It will take place on **Saturday, September 2, 2017**. This course was the host course for the MAC Championships in 2012. Please consider placing this meet on your 2017 cross country schedule. Many teams use this meet as an early season test for racing fitness as well as a gauge to see how competitive they might be at the State Meet. We are proud to have Holy Cross, Holy Redeemer, Elk Lake, Dallas, and Tunkhannock as State Champions and runners-up among our local District 2 teams. In the past we also had the privilege of hosting teams from Council Rock North, Bethlehem Catholic, Liberty, Blue Mountain, Pennridge, Northeast Bradford, and Wyalusing. Also, many outstanding student athletes have participated in this event.

If you'd like to experience great competition on an outstanding cross country course at our early season meet, please register your teams as soon as possible at [cliffrobbinssracedirector@gmail.com](mailto:cliffrobbinssracedirector@gmail.com), so we can plan accordingly.

The registration fee will once again be \$5 per runner; \$2 per vehicle for parking which goes to Misericordia University for course maintenance. To register, provide school name, coach's name, address, phone #(s) and e-mail address. You will receive information to enter your team(s) on [www.runhigh.com](http://www.runhigh.com) closer to the meet. The Wyoming Valley Striders look forward to seeing your team at this great day of races! If coaches would like to preview the course, please email [cwadas@misericordia.edu](mailto:cwadas@misericordia.edu) prior to visiting. Please note that Misericordia University will be having a meet, Misericordia Invitational, Friday September 1<sup>st</sup>, so the course **will not be available** for preview after 2pm on that day.

If you are receiving this email at an address you no longer want to use, or are no longer involved with your schools XC please advise me and I will remove it. Likewise, if you would only like the Coach or the AD to receive future emails, please advise me of that as well.
