

June, 2018

Dear Cross Country Coach,

This year will be the 44th running of the **Wyoming Valley Striders Cliff Robbins Sr. Memorial High School Cross Country Races** at Letterkenny Fields, Dallas, PA, home course of the Misericordia University Cougars. It will take place on **Saturday, September 1, 2018**. Please consider placing this meet on your 2018 cross country schedule. Many teams use this meet as an early season test for racing fitness as well as a gauge to see how competitive they might be at the State Meet.

If you'd like to experience great competition on an outstanding cross country course at our early season meet, please save the date and reply to this email to let us know you're interested, so we can plan accordingly. **A new bonus for this year, disposable chip-timed bibs!** You won't have to worry about tying on a timing chip or returning them this year.

The registration fee will once again be \$5 per runner; \$2 per vehicle for parking which goes to Misericordia University for course maintenance. To confirm your interest, reply to this email with school name, coach's name, phone #(s) and e-mail address. You will then receive information to enter your team(s) on www.runhigh.com closer to the meet. The Wyoming Valley Striders look forward to seeing your team at this great day of races! Please note, there will be no course preview besides the morning of the meet. This is due to liability issues, since the meet is held on private property that the owner's graciously let us use for the meet. Course maps are here:

If you are receiving this email at an address you no longer want to use, or are no longer involved with your schools XC, please advise me, and I will remove it. Likewise, if you would only like the Coach or the AD to receive future emails, please advise me of that as well.
