Dear Carl,

On behalf of the IEEE Standards Association, I would like to thank you for serving as the SA's first formal ITU-R Technical Liaison. Achieving sector membership in the ITU-Radiocommunications unit was an important milestone for the SA and you provided expert guidance in our interactions, helping to further promote IEEE as a developer of international standards.

I wish you success in your future endeavors, and thank you again for your help.

Sincerely,

A handwritten signature in black ink that reads "Donald N. Heirman" followed by a long horizontal flourish.
